The Honorable Barry Goldwater, Chairman
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

I am glad you agree that we are on the right track in our efforts to improve our counterintelligence capabilities against hostile intelligence threats. Since my 22 June letter, we have changed our plans for the new DCI Committee on Hostile Intelligence Threat Analysis, and I would like to bring you up to date.

We are also making headway in forming the Advisory Commission on Counterintelligence Analysis.

I will continue to keep you informed as we progress in these endeavors.

Sincerely,
